

# Luxury Lizard Inn

Have you ever wanted a pet lizard? Well you're in luck, we have the Luxury Lizard Inn.

The Luxury Lizard Inn has everything a lizard could dream about. It has a nice feeding area, its own private area, climbing spot and more!

## Instructions

- Feed lizard spider, roaches, or meal worms 3 times every day
- Water plant when dirt feels dry
- Give water to the lizard when the water is low
- Clean enclosure every month by putting the moss under hot water
- If the bush dies replace it with another
- Keep habitat at 85 – 90 degrees F (29 to 32 Celsius) and the temperature at the bottom 75 and 85 F (24 to 29 C).

## How to build it

1. Get a big plastic container
2. Get sand and put it in half of an area in the container
3. Get green moss and put it on the other half
4. Get a small cave
5. Cut off bottom of soda bottle
6. Place a small plant in the bottom of the soda bottle that you cut
7. Cut off bottom of regular plastic cup
8. Drill holes in the bottom of plastic cup
9. Use Velcro to attach bottom of plastic cup above of plant
10. Get 2 small pieces rectangle of wood
11. Attach solar panel to light
12. Attach Velcro light above cave
